

Indiana University - Bloomington

Graduate & Professional Student Government

Resolution Regarding Instruction for Active Shooter Situations

Whereas, Indiana University Bloomington commits the university to creating a safe, vibrant, and healthy community,

Whereas, Indiana University is committed to providing the greatest possible degree of safety for all members of the university community,

Whereas, The Graduate and Professional Student Government Health and Wellness Committee is charged with promoting students' well-being,

Whereas, Public Safety and Institutional Assurance, IUPD, BPD, and as well as other parties are responsible for the safety of the community

Whereas, Student and faculty knowledge of how to respond to extreme circumstances is an important aspect of creating a safe community,

Whereas, Currently there does not exist a formal offering of instruction for graduate students,

Therefore, be it resolved by the Graduate and Professional Student Government Assembly that –

- (1) Academic Departments, the University Graduate School, the Graduate and Professional Student Government, and other interested parties should make efforts to increase awareness of Protect IU and existing Active Shooter recommendations;
- (2) The Graduate and Professional Student Government should assist in the facilitation of active shooter response training for graduate students and faculty in order to provide additional hands on training and/or workshop.

Respectfully submitted to and passed by the Graduate and Professional Student Government Assembly on this 4th day of November, 2016.
